Table of changes

Change No.	Date	Scope
IEC corr.	1998	Changed to correct the note on test circuits and instruments and to change and replace figure D.2.
Nat. amdt 1	2000	Amended to change the standard to a mark specification. ^a
Nat. amdt 2	2009	Amended to change the designation from SABS to SANS, with no technical changes.
^a In the current edition, the certification mark has been removed.		

National foreword

This South African standard was approved by National Committee SABS/TC 067/SC 04, *Electricity distribution systems and components – Insulators*, in accordance with procedures of the SABS Standards Division, in compliance with annex 3 of the WTO/TBT agreement.

This SANS document was published in March 2009.

This SANS document supersedes SABS IEC 61284:1997 (first edition as modified by IEC corr.:1998 and nat. amdt 1:2000).

**Reaffirmed and reprinted in March 2014.
This document will be reviewed every five years
