SOUTH AFRICAN NATIONAL STANDARD

Instrument transformers

Part 7: Electronic voltage transformers

This national standard is the identical implementation of IEC 60044-7:1999 and is adopted with the permission of the International Electrotechnical Commission.

Table of changes

Change No.	Date	Scope
Nat. amdt 1	2007	Amended to change the designation from SABS to SANS, with no technical changes.

National foreword

This South African standard was approved by National Committee SABS SC 67E, *Electricity distribution systems and components – Electricity distribution*, in accordance with procedures of the SABS Standards Division, in compliance with annex 3 of the WTO/TBT agreement.

This SANS document was published in September 2007.

This SANS document supersedes SABS IEC 60044-7:1999 (edition 1).

**Reaffirmed and reprinted in February 2013.
