COPYRIGHT PROTECTED DOCUMENT

© SABS

In terms of the Standards Act 8 of 2008, the copyright in all South African National Standards or any other publications published by the SABS Standards Division, vests in the SABS. Any use of South African National Standards is limited to use specifically prescribed by the SABS. In the case of a South African National Standard based on an international standard, ownership of the copyright vests in the organization from which the SABS adopted the standard, whether it be under licence or membership agreement. The SABS is obliged to protect such copyright and is authorized to make the relevant international organization aware of any misuse thereof. Unless exemption has been granted, no extract or full text of any South African National Standard may be copied, reproduced, stored in a retrieval system or transmitted in any form or by any means without prior written permission from the SABS Standards Division. This does not preclude the free use, in the course of implementing the standard, of necessary details such as symbols, and size, type or grade designations. If these details are to be used for any purpose other than implementation, prior written permission must be obtained.

Details, advice and limitations of use can be obtained from the Manager: Standards Sales and Information Services. Tel: +27 (0) 12 428 6883 email: sales@sabs.co.za

SABS – Standards Division

The objective of the SABS Standards Division is to develop, promote and maintain South African National Standards. This objective is incorporated in the Standards Act, 2008 (Act No. 8 of 2008).

The SABS continuously strives to improve the quality of its products and services and would therefore be grateful if anyone finding an inaccuracy or ambiguity while using this standard would inform the secretary of the technical committee responsible, the identity of which can be found in the foreword.

Buying Standards

Contact the Sales Office for South African and international standards, which are available in both electronic and hard copy format. Tel: +27 (0) 12 428 6883 email: sales@sabs.co.za

South African National Standards are also available online from the SABS Webstore www.store.sabs.co.za

Information on Standards

SABS Customer Services provide comprehensive standards-related information on national, regional and international standards. Tel: +27 (0) 12 428 7911 / 0861 27 7227 email: info@sabs.co.za

Foreword

This South African standard was prepared by National Committee SABS/TC 292/SC 02, *Security and resilience – National disaster management*, in accordance with procedures of the South African Bureau of Standards, in compliance with annex 3 of the WTO/TBT agreement.

This document was approved for publication in June 2018.

Annexes A, B, C, D, E, F and G are for information only.

Compliance with this document cannot confer immunity from legal obligations.

Contents

	Page
Foreword	
1 Scope	3
2 Normative references	3
3 Definitions and abbreviations	3
3.1 Definitions	3
3.2 Abbreviations	6
4 Risk assessment methods and procedures for hazardous installations	6
4.1 Defining the scope of work	6
4.2 Gathering relevant data	7
4.3 Hazard identification	9
4.4 Hazard analysis	11
4.5 Consequence analysis	12
4.6 Frequency analysis	23
4.7 Risk calculations	30
4.8 Risk judgement criteria	31
4.9 Risk treatment	34
4.10 Land-use planning	35
4.11 Emergency response data	36
4.12 Conclusions and recommendations	36
4.13 Risk assessment report	37
4.14 Technical documentation	37
5 Risk assessment methods and procedures for cross country pipelines	40
6 Records	40
Annex A (informative) Hazard analysis and flammable event trees	41
Annex B (informative) Explosion modelling — TNT yield factors	47
Annex C (informative) Weather data	48
Annex D (informative) Frequency analysis	51
Annex E (informative) Risk calculation and treatment.....	55
Annex F (informative) Land-use planning framework	59
Bibliography	65
