In terms of the Standards Act 8 of 2008, the copyright in all South African National Standards or any other publications published by the SABS Standards Division, vests in the SABS. Any use of South African National Standards is limited to use specifically prescribed by the SABS. In the case of a South African National Standard based on an international standard, ownership of the copyright vests in the organization from which the SABS adopted the standard, whether it be under licence or membership agreement. The SABS is obliged to protect such copyright and is authorized to make the relevant international organization aware of any misuse thereof. Unless exemption has been granted, no extract or full text of any South African National Standard may be copied, reproduced, stored in a retrieval system or transmitted in any form or by any means without prior written permission from the SABS Standards Division. This does not preclude the free use, in the course of implementing the standard, of necessary details such as symbols, and size, type or grade designations. If these details are to be used for any purpose other than implementation, prior written permission must be obtained.

Details, advice and limitations of use can be obtained from the Manager: Standards Sales and Information Services. Tel: +27 (0) 12 428 6883 email: sales@sabs.co.za

SABS – Standards Division

The objective of the SABS Standards Division is to develop, promote and maintain South African National Standards. This objective is incorporated in the Standards Act, 2008 (Act No. 8 of 2008).

The SABS continuously strives to improve the quality of its products and services and would therefore be grateful if anyone finding an inaccuracy or ambiguity while using this standard would inform the secretary of the technical committee responsible, the identity of which can be found in the foreword.

National foreword

This South African standard was prepared by National Committee SABS/SC 064/SC 02, *Lighting and optics – Luminaires*, in accordance with procedures of the SABS, in compliance with annex 3 of the WTO/TBT agreement.

All parts of the series standard SANS 60598, by reference, form part of the *Compulsory specification for electrical and electronic apparatus*, as published by Government Notice No: R. 89 (Government Gazette 31844) of 6 February 2009. Compliance with the requirements of this part of SANS 60598 will be deemed to be compliance with the said compulsory specification.

This SANS edition is technically identical to the first SABS edition (SABS IEC 60598-2-19:1981).

Compliance with this document cannot confer immunity from legal obligations.
